The following facilities are expected to be involved with decommissioning and demolition activities (D&D) during Fiscal Year 2002 (FY02). These facilities represent a wide range in regard to preparation for D&D and the start of D&D is contingent on the availability of funding. Therefore, all of these facilities may not start or complete decommissioning and demolition this fiscal year.

Note:

\* Indicates planned characterization effort only in FY02.

\*\* Indicates the building will be characterized and D&D may be started in FY02
